-Blood Film Report-

Owner: Mrs Nilly krer

Patient: Gaafar

Age: 4 month

Collected on: 5/3/2026

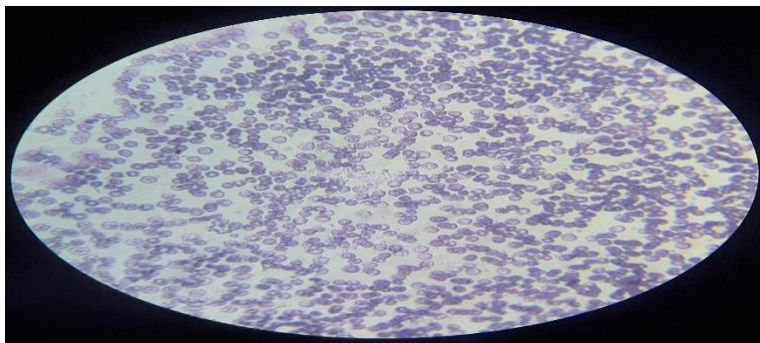

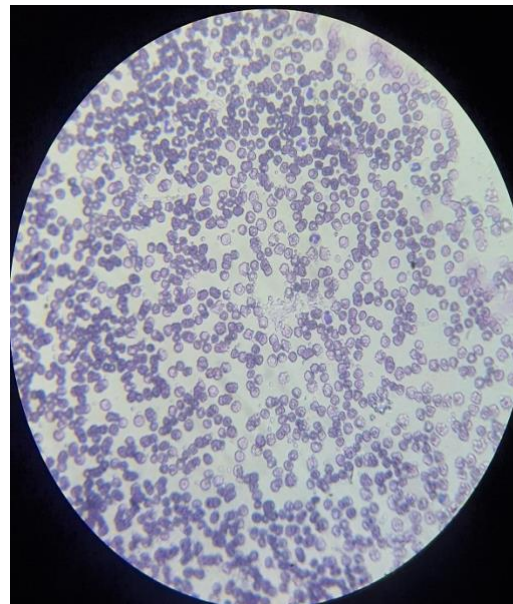

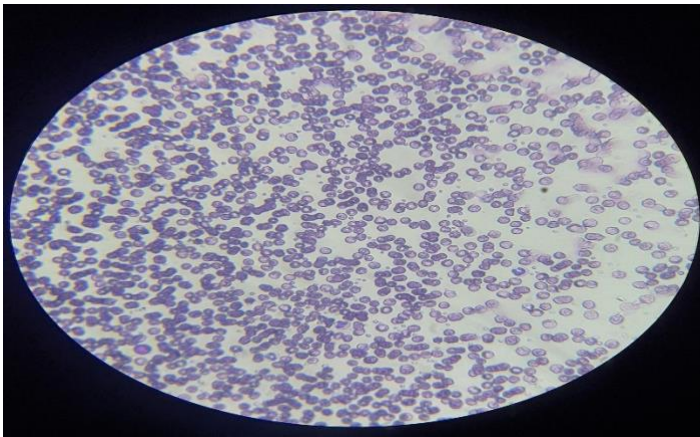

Reported on: 6/3/2026

Blood film evaluation

After staining the collected blood sample by quick diff stain
It revealed presence of blood parasites mainly erlichia with moderate infection along the film..
Using 4X ...10X...40X

Result

-Positive erlichiosis

CEO,

Dr. Ahmed Barakat

Sincerely,

Dr. Shaimaa Ayman
